

Social Inclusion and Access, Out and About

Enquire now and register your interest for this unique work shop with preferred days, times and choices

Class size is limited to ensure person centred learning.

Social Inclusion and Access Program is broken down into achievable skill sets. Participants have the choice to complete individual skill sets or the complete program.

Skill sets will be adapted and tailored to individual needs.

Participants also have the choice of completing this one to one or in an interactive group program

Skill set choices:

- ✚ Building social skills and awareness
- ✚ Researching and finding programs, activities, and places of interest.
(google search)
- ✚ Linkages, connection and enrolling
- ✚ Ensuring sustainability
- ✚ Attend a program or activity of choice.

When : Participants will be notified of set day and times

Where : Group sessions held at Salisbury East
Network visits to places of interest.

Time : Day and evening sessions
: Estimated 2 hrs x 10-week program.
Time frame may vary depending on numbers and individual learning style

Cost : in line with NDIS
