

Social Skills And Etiquette

Enquire now and register your interest for this unique work shop.

Class size is limited to ensure person centred learning.

Social Etiquette is a fun interactive workshop with lots of role playing and games.

We learn to build some simple filters, social skills and behaviours as well as etiquette around manners, how close is to close in public venues, nose versus caring and many more This is one that will be enjoyed by everyone.

A very fun, interactive and informative workshop
